

AZZLY[®] *and* tribalhealthalliance

AZZLY[®] and Tribalhealth Alliance[®] are collaborating on **integrating behavior and mental health services** as a holistic approach of the care team model and **expanding revenue opportunities through telehealth.**

ABOUT US

AZZLY[®]

AZZLY Rize™ is the premier clinical and business platform for residential and outpatient addiction treatment and mental healthcare organizations. AZZLY, Inc. serves treatment centers in 30 states and counting. Our modern healthcare platform replaces several software systems, reduces expenses and improves staff compliance and adoption.
